David Mangold, PA-C
Arlon H. Bennett, FNP-C
20 Four Mile Dr., Ste. 2
Kalispell, MT 59901
(406) 721-4540 – Scheduling Office

WELCOME!

We look forward to providing your care. Before your first appointment, please read and familiarize yourself with AAC's office policies below.

PAPERWORK

Please complete the enclosed registration and questionnaire. Please take the time to fill out these forms completely and accurately. **All paperwork must be completed PRIOR to your scheduled appointment time.** Please be aware that if your paperwork is not completed when you arrive for your appointment, you may be rescheduled. Please also bring your completed paperwork, insurance card, and any required copayment to your appointment, if applicable.

ALLERGY TESTING

If you are scheduled to have allergy testing completed at your appointment, **please review the medications list on the reverse of this letter and STOP medications**, as appropriate. If you have any concerns about discontinuing any of your medications, please contact our office immediately.

APPOINTMENT

Your appointment is scheduled for ____________________ at __________________

in Kalispell with David Mangold, PA-C. Arlon H. Bennett, FNP-C

CANCELLATION POLICY

Should you need to cancel your appointment, we require 24 hours notice. We understand that emergencies do occur, but habitual same day cancellations will have a $50.00 charge assessed to your account. Please honor your appointments as best you can to avoid being charged this fee.

We look forward to meeting with you soon!

Thank you,

The Allergy and Asthma Center Staff

Allergy & Asthma Center, PC
Financial Policy

We require full payment of ***expected patient responsibility*** at the time of service based on your insurance coverage. If you do not have health insurance, we expect payment on the date of service. We do offer adjusted rates for "Time of Service" payments that are available to all patients, regardless of insurance coverage. This reduces our billing costs and further allows us to keep our charges as low as possible.

Unless you choose to participate in the "Time of Service" plan, we will submit charges to your insurance carrier when complete information is received. If insurance payment is delayed over 60 days, you will be expected to pay the balance. We will make all efforts to resolve issues of non-payment from your carrier. Any payments received from your insurance carrier after you have paid on your balance will be refunded to you with 14 days of receipt of overpayment.

If applicable, we will bill secondary insurance. Carrying primary and secondary policies does not alleviate all patient responsibilities: deductibles, co-pays, and patient responsibilities still apply. After receipt of insurance payments, the amount that is remaining is due in full within 14 days. We recommended reviewing all explanation of benefits received from all insurance companies.

If arrangements for payment are needed, a payment plan agreement will be completed and signed with our office staff. A confidential meeting will allow for questions and explanations of our policies. You will receive copies of all conditions agreed upon.

An insurance card must be presented at each office visit. Failure to present a card at the time of service will cause full payment due on that date.

Required referrals are the patient's responsibility. Failure to obtain referral as indicted by your insurance coverage will result in the charge to be completely the patient's responsibility and will be due at the time of service.

I have read and understand all policies listed above. I understand that I am responsible for payment in full for all charges from this office regardless of insurance coverage. I agree that insurance payments can be sent directly to The Allergy & Asthma Center, PC.

Patient Questionnaire

Patient Name ____ Birth Date ________________________

Referring Physician ____ Date Questionnaire Completed ____________

CURRENT MEDICAL HISTORY

1. **What are the primary medical complaints today:**

____

In the past year these problems are ________ worse ________unchanged __________better

2. **List current medications (include dose and frequency):**

____

____

____

____

3. **Do you have any medication allergies? ________**

If yes, list medication(s) and reaction: ____

____

PAST MEDICAL HISTORY

1. **Significant childhood illnesses:** ____

2. **Other Medical Problems: (Diabetes, Heart Disease, Kidney Disease, High Blood Pressure, Arthritis, Cancer, etc.)**

____

____

3. **Surgeries? __________ If yes, specify and give year:** ______________________________________

____

4. **Hospitalizations? ________ If yes, specify and give year:** ____________________________________

____

5. ***As an infant* did patient have: Colic _____ Eczema _____ Many formula changes _____**

Constant runny nose _____ Breathing problems _____ Any adverse reactions to immunizations _____

6. Has patient ever had any of the following tests? Indicate year and place done:

Chest X-Ray? ____________ Sweat Test? ____________ Breathing Tests? ____________

Sinus X-Rays or CT scan? ____________ Cardiac tests (EKG, echo, stress test) ____________

PERSONAL HISTORY

1. Is patient in school? ________ Grade? ________
2. Number of school or work days missed due to illness? ________
3. Has the patient ever smoked cigarettes? ________ Age patient began smoking cigarettes regularly? ________

   How many packs a day did the patient smoke? ________ Does patient currently smoke? ________

   How old was patient when they quit? ________
